

HYLOCORE Mini-Workshop

on

Hybrid and Modal Logic

Friday April 24th, 2009
Room 42-1.37, Building 42, RUC

Program:

1030-1130 Melvin Fitting (City University of New York, USA)
What are justification logics?

1130-1145 Coffee break

1145-1245 Jens Ulrik Hansen (PLIS/Science Studies, RUC)
Hybridizing epistemic logics

1245-1400 Lunch

1400-1500 Patrick Blackburn (INRIA, France)
TBA

1500-1515 Coffee break

1515-1615 Anders Søgaard (CST, KU)
Model checking in parsing natural language

1615-1630 Coffee break

1630-1730 Thomas Bolander (IMM, DTU)
Connections between filtrations and tableaux calculi in hybrid logic

Host: Torben Braüner (torben@ruc.dk)

The project HYLOCORE (Hybrid Logic, Computation, and Reasoning Methods)
is funded by The Danish Natural Science Research Council
